REPORT OF THE MANAGING BOARD OF GOVERNORS.

1.—The Managing Board of Governors has much pleasure in presenting its Report of the work of the Hospital for the year ending the 31st December, 1935.

2.—The following figures show the number of Patients admitted during the year from each Parish, namely :—

	Major.	Minor.	Total.
Gainsborough	380	499	879
Beckingham	5	7	12
Blyton	25	25	50
Bole	—	—	—
Corringham	3	4	7
Hemswell	—	1	1
Lea	5	7	12
Morton.....	28	36	64
Saundby.....	—	2	2
Scotter	7	7	14
Scotton.....	2	1	3
Outside Area covered by Scheme, but in an adjoining Parish	24	42	66
Outside Area, as above, and outside an adjoin- ing Parish	16	16	32
Total	495	647	1142

Medical Officers will please note that as far as possible only patients from our own area are sent here, so that other hospitals whose area adjoins this, have no grounds for complaint.

3.—The average number of days each Patient was under treatment was 6.23. Number of operations performed was 480.

4.—The average number of beds occupied at one time was 19.

5.—The average total cost of each Patient was £3 0s. 10 $\frac{3}{4}$ d., being a decrease of 2s. 5 $\frac{1}{4}$ d. as compared with that of the previous year.

6.—The Board has for the convenience of Governors noted briefly the following alterations in the expenditure and receipts in comparison with those of the previous year. The total Ordinary Expenditure during the year 1935 amounted to £3,476 1s. 10d., being £219 more than last year.

Section I.—The cost of provisions has increased by £15, possibly explained by the increase in the number of Patients.

Section II.—The total cost of Surgery and Dispensary has decreased £40.

Section III.—Domestic Expenses show a decrease of £8.

Section IV.—Salaries and Wages of Nurses and other Officers show an increase of £6.

Section V.—Miscellaneous Expenses have increased £30. The new Tennis Lawn accounts for this.

Section VI shows an increase of £4.

Section VII is increased by £225 on last year's amount, the purchase of a new steriliser being the cause.

Section VIII is slightly less than last year's.

The Extraordinary Expenditure increases £72, owing to the installation of a water softening plant.

7.—The Total Income for the year amounts to £3,184 4s. 1d., showing £473 decrease on the previous year's total of £3,657.

Section I.—Voluntary Gifts show a decrease of £121, this being hardly unexpected in the present time of financial stress. The payment by the Roadley Trust of £33 16s. 5d. was mentioned in this paragraph last year. Subscribers are requested to note that the Hospital accounts will, for the future, be closed on the 31st day of December each year: and they are respectfully asked to send in their subscriptions as early in the year as possible, so that they may be included in the current year's account.

Section II.—Receipts on account of services rendered show an increase of £36. Patients' payments of £708 as against £788 last year (the record).

Section III.—The Income from Invested Property, (£1,460, an increase of £12 during the year) calls for no comment, except that it provides a handsome contribution towards the cost of maintenance.

8.—At the close of the year the value of Stores in hand amounted to £110, as against £120 10s. at the close of 1934.

9.—Capital Account: Balance, £90 19s. 2d. A subscription of £50 from Mr. P. L. Cowling partly accounts for this increase.

10.—Samaritan Fund: The Cash at Bank is £103 12s. 1d.

11.—Reserve Fund is £92 16s. 5d., plus investments.

12.—Electrical Department: New Cases, 174; Old Cases, 1,133.

13.—Eye Clinic: New Cases 98; Other, 336.

14.—Hospital Work Guild.—The Board again tenders its grateful thanks to the Guild and to the collectors for their unselfish work and generous support, their contribution being: Material of the value of £45 18s. 5d., Subscriptions £10 10s., and Donation to the Guild Children's Hospital Fund, £10 10s., with incidental expenses totalling £67 8s. 5d.

15.—Guild Children's Hospital Fund.—The object of this Fund is to pay the Hospital charges of young children of necessitous parents, 10 children having been paid for during the year. The further welcome donation of the Hospital Work Guild is

maintaining this fund upon a firm basis and there is every reason to believe that the Guild's future is assured.

16.—Penny Fund.—The Board again expresses hearty thanks to the Employees of the firms who have contributed to this fund, and particularly to those who are responsible for the collection of the various sums ; at the same time assuring the Collectors of its appreciation of the work involved, and of its value to the Hospital, as a means of ensuring its successful maintenance. Of newcomers it welcomes the Staffs of : Messrs. James Marshall (Gainsborough), Ltd., Engineers, Ropery Road ; Trentside Electric Co., Post Office Engineering Staff (Lincoln), Torr and Harrison (Morton), Labour Exchange, and others. Some of the above have been unable to pay in their contributions to the Bank in time for this Report.

17.—Medical Staff.—The thanks of the Board are due to the members of the Medical Staff, for the care and attention they have bestowed on the patients and for their valuable services to the Hospital.

18.—The Board especially desires to express its appreciation of the admirable and sympathetic manner in which Miss Twidale has carried out her duties as Matron, and the efficient manner in which, under her able supervision, the nursing staff perform their duties.

19.—Subscriptions.—The Board is much indebted to those who continue to support the Hospital by payment of their subscriptions in these times of financial stringency. The Hospital has now reached the period of its existence when most of the fittings, appliances, etc., installed at its inauguration have worn themselves out. Consequently much increased expenditure for replacements must be looked for.

20.—The Board is grateful for the amount received from collections in Churches, the amount received from Entertainments, books from the Library, and also tenders its thanks to the many kind friends who have made Presents and Gifts during the past year, as well as to the Donors and Subscribers, and to those who have kindly allowed boxes to be placed in their Hotels and other places. The Board greatly appreciates the support received through these channels.

21.—Egg Day brought in the handsome total of 7,473 eggs, this being over 400 more than the previous year.

22.—The Board is very grateful to all who organise Fetes and other Entertainments in Gainsborough or the neighbourhood, and assures them that, without their welcome help, the work of the Hospital could not be so efficiently maintained. It is requested that the name of the Hospital shall not be used without first asking permission of the Board, which will be readily granted on all fitting occasions.

23.—The Board reports with profound regret the loss of Ald. S. Gray, J.P., Deputy Chairman of the Hospital, and a Governor whose services and experience were always at the disposal of the Hospital.

24.—The Board desires to record its appreciation of the increasing work of the House Committee, which, whilst maintaining an enthusiastic supervision of the Hospital accounts, has been at no small pains in the preparation of suggestions to the Managing Board.

25.—The Secretary will welcome copies of back numbers of this report, particularly Nos. 1, 4, 5, 7, 8, 9, 10, 11, 14, 15 and 17, with a view to binding in one volume for reference purposes.

To the Governors,

January, 1936.

I have audited the Books and Accounts of the John Coupland Hospital for the year ended 31st December, 1935, and in my opinion the above Income and Expenditure Account and Statement of Account are true and correct records, according to the Books and the information and explanation given to me.

I have inspected all the securities except those in the hands of the Charity Commissioners, from whom I have obtained a Certificate as to the securities held by them.

Gainsborough, 3rd February, 1936.

BASIL SPOONER, Chartered Accountant,
